30	114
31	168

25X1A. Comment. As compared with the last reported period, incoming hard coal shipments from Poland decreased from 307 carloads to 224 carloads per day, probably in connection with the Christmas holidays. Grain shipments continued to arrive at a low rate and averaged 10 carloads per day as against 17 carloads during the last period of observation.
